The talks, and the walls each one feeds

The twelve walls, in plain words

A wall is one part of a life that has to hold. There are twelve. The short name is the plain one. The check question is how you test that wall in yourself.

THE WALL	WHAT IT MEANS	CHECK YOURSELF
1 · Keep climbing VIGILANCE	You are still growing. You have not stopped and called this the top.	<i>What have I learned in the last year that changed me?</i>
2 · Remember who helped you MEMORY	You still know what God has done for you, and you still say it out loud.	<i>Can I name one time God helped me, and tell the story?</i>
3 · One heart, not two DEVOTION	God gets all of you. Nothing else quietly shares the seat.	<i>What else is getting a piece of my heart?</i>
4 · No looking down on people EQUITY	You do not treat anyone as beneath you. Money, job, and looks do not change how you see a person.	<i>Who do I look down on? Answer honestly.</i>
5 · Say what is real TRUTH	You use plain words. You do not dress up a guess to sound like a fact.	<i>Where am I telling myself a story that is not true?</i>
6 · Let someone correct you WATCHMEN	One person is allowed to tell you when you are wrong, and you listen.	<i>Who told me I was wrong last? What did I do about it?</i>
7 · Stay together COHESION	You stay tied to your people. You do not let sides pull you apart.	<i>Who have I quit on?</i>
8 · Keep your word INTEGRITY	You do what you said you would do, even when it costs you.	<i>What promise did I keep this month that cost me something?</i>
9 · Serve, do not show off LEADERSHIP	You use your place to help people, not to look big. You follow people who serve.	<i>Am I leading to help, or to be seen?</i>
10 · Fix your weak spot FORTIFICATION	You know your weak spot, and you keep the guard up there on purpose.	<i>What guard have I let slip?</i>
11 · Be strong and still be kind FORCE	When you are strong, or right, or angry, you hold back. You offer peace first.	<i>How do I treat people when I know I am right?</i>
12 · Pass it on HANDOFF	You hand your faith to the next person on purpose, early, and out loud.	<i>What did my children actually get from me? Have I asked them?</i>

The small capitals are the formal wall name used in the rest of this work. It does not change. The plain name is the same wall said in fewer words.
